

September 15, 2022

Dear Current and Potential Member:

We are pleased to publish our 2022-2023 annual membership offerings at Hammock Creek Golf Club. Our Club has been the centerpiece of activities over the last twelve months. From member functions, community involvement, and many capital improvements, the Club is a labor of love for us and will continue to be for years to come.

The Club has re-introduced many new member functions, including golf tournaments, food and beverage weekly specials, complimentary weekly clinics, member road trips, as well as just the simple day to day camaraderie of your fellow Members. With an active Ladies Golf Association on Tuesdays and Men's Golf Association on Thursdays, there are plenty of opportunities to meet your fellow Members.

Striving to be a good community partner is something we take seriously as we embed ourselves in the Hammock Creek and Treasure Coast communities. From Hammock Creek Master HOA Board, to partnering with both the *Don Law Golf Academy*® and *Matt DeJohn Golf Academy*®, to the *WEDOGOOD*® organization which has chosen Hammock Creek as a host club for events that serve our military and first responders. Also exciting for the Club, Hammock Creek was a host qualifying site for the *PGA TOUR*®'s 2023 Corales Puntacana Championship.

With regards to capital improvements, a few highlights of those 2022 improvements include:

- **Complete replacement of our irrigation pump station for higher quality turf/irrigation**
- **New 2022 Club Car® golf cart fleet with state-of-the-art GPS dynamic course technology**
- **New 2022 Beverage Refreshment cart for daily on-course Member service**
- **Reconstruction of par three tees on holes 6, 8 & 12.**
- **New outside tabletops and barstools on the Verandah.**
- **Six new pieces of golf course maintenance equipment to provide consistent turf conditions**

Our loyal Members, are the reason we make these personal investments of time, money, and energy. Thank you for your patronage. We eagerly await what the future holds for the Club and our community. Please do not hesitate to recommend Hammock Creek to your friends, both near and far. With the growth of the business, it will allow us to fund additional improvements and relationships both on and off the golf course.

Most sincerely,

Corey Hamlin
